tuition + hostel + living/food + visa & travel

~Rs 47.2 L

Indicative; INR at ~Rs 85/USD. Living/food (~\$2,500/yr) and visa/travel (~\$1,500) are estimates and vary by city & lifestyle. Confirm current fees with the university.

WHY CHOOSE XINJIANG MEDICAL UNIVERSITY

- **Established Legacy:** Founded in 1956, Xinjiang Medical University boasts over six decades of excellence in medical education, making it a trusted choice for MBBS...
- **Global Recognition:** XJMU is recognized by WHO (WDOMS) and NMC, ensuring your MBBS degree is valid for FMGE/NEXT and practice in India after clearing the screening test.
- **English Medium:** The entire MBBS program is taught in English, eliminating language barriers and facilitating a smooth learning experience for international students.
- **Affordable Education:** MBBS in China at XJMU is comparatively less expensive than private medical colleges in India, with subsidized education and no donation...
- **Clinical Exposure:** Benefit from excellent clinical exposure in advanced hospitals, including 8 affiliated hospitals with over 12,000 beds, ensuring hands-on training.
- **Multicultural Environment:** Join over 1200+ international students from 30+ countries, fostering a diverse and enriching learning environment.
- **Advanced Infrastructure:** Study in a modern campus with advanced laboratories and research centers, providing the resources needed for academic and research excellence.

CAMPUS & FACILITIES

- **Teaching Hospital:** 12,000 beds, 7.8 million annual outpatient visits.
- **Clinical Skills Lab:** For practical exercises and medical simulations.
- **Digital Library:** Access to journals and research materials.
- **Research Centers:** Including an advanced Cancer Research Center.
- **Affiliated Hospitals:** 40 hospitals for clinical training.
- **Specialty Centers:** Cardiology, oncology, and pediatrics.
- **On-Campus Housing:** Apartment-style standard housing for students.

ELIGIBILITY

- NEET score: Must qualify NEET as per NMC guidelines.
- Age: 17 years or older as of December 31, 2026.
- Academics: High school with Physics, Chemistry, and Biology.
- English Proficiency: MBBS program is taught in English.
